**You attract the best talents
- we make them stay!**

Relocating? We can help

INN individual services

The services are to a large extent tailor mad in order to meet the individual needs. The following services can be ordered separately

- Full-day orientation about Norway and the Tromsø region
- Extended welcome to Tromsø and immigration support
- Help to find a home and move in services
- Extended partner support

A smooth transition saves money by getting the key employees quickly into business in their new setting.

INN Tromsø

INN Tromsø offers a set of activities aimed on assisting companies and their foreign employees in moving and adjusting to the Tromsø region.

The activities include assistance related both to the transition to the region as well as continuous support during they stay.

Services include administrative support with immigration, taxes and bank accounts homefinding etc.

Among on-going activities are guiding about Norway and the Tromsø region such as health services, school and kindergarten and activities in the neighbourhood. Other activities are professional and social events, networking, language training, newsletter, partner support etc.

Personal support assisting foreign workers and their families to find their way around in the region.

INN Basic services

Our mission is to assist foreign workers and families in the emotional and professional adjustment to a new environment by offering a range of services

- Handbook with facts about Norway and Troms county
- Professional and social events
- Networking
- Language training
- English website
- English event calendar and culture clues
- Support to partner
- Courses about culture and language

Support to partner

Integration and thrive is important not only for the foreign employees, but also for the partner. Therefore we assist partners with CVs, networking, attending in meetings etc.
